TLC PET HAVEN
BOARDING and RELATED SERVICES CONTRACT
68 US Route 146, Sutton MA 01590

I understand, as owner or agent of this pet, that the kennel will exercise all due care for the animals entrusted to them. I understand that the kennel will seek medical attention or administer medication if necessary, the cost of which I will reimburse them for. Furthermore, due diligence and care having been given, I will not hold them liable for accident, illness, running away, fire, theft, or injury to persons, other dogs, or property by said animal (my pet), or by any other act of God beyond their control.

Pets, especially those aged and disabled, are given special attention and carefully watched, but because of their age or ailment, may not adapt as readily to kennel situations. I understand that when such pets are boarded, they are placed under stress, because of removal from their normal home environment. This stress can cause latent (dormant) physical conditions (such as heart, liver, kidney, and intestinal disorders) to become active. Stress can also initiate bloat or adverse reactions to seasonal cold or heat. This can result in illness or possible death of the pet. With this in considerations, I as owner or agent, agree not to hold this boarding kennel responsible for the above conditions. I agree to reimburse them for vet expenses and transportation costs incurred.

I also state that my pet has a current rabies vaccine per Massachusetts State Law. I understand that the kennel recommends vaccines for DHLPP with Parvo and Bordatella (for canine cough) in dogs and FVRCP and leukemia in cats. I will abide by the recommendations of my veterinarian in regard to these vaccinations and am aware that they are for my pet's protection and, if not given, will increase my pet's risks. I hereby, state, that to the best of my knowledge, my pet does not have, nor is my pet a carrier of any contagious disease or disorder.

I understand that if I fail to pick up my animal within 10 days after the agreed pick-up date that the kennel may release custody to the proper authorities and I may be held legally responsible.

This contract shall remain in effect for as long as this owner or agent continues to board or use services related to this pet or any future pets at this facility.
